

VANPOOLING

Participating in a vanpool can save you lots of money on insurance benefits, reduced maintenance costs, improve the long-term value of your investment, and help you use commute time for work or leisure!

What is a Vanpool?

A vanpool is a group of people who share a similar commute schedule (from a local origin to a shared destination) commuting together in a 9 – 14 passenger van.

How does a Vanpool work?

One person in the vanpool usually volunteers to be the driver/coordinator participants in a vanpool pay a monthly fee that covers the vehicle lease, maintenance, insurance, gas, parking and tolls. The commitment for both passengers and vehicle lease is 30 days.

How does a Vanpool save \$\$\$?

- Split the cost for gas and tolls
- Reduced car maintenance
- Savings on annual car insurance costs
- Some employers also provide pre-tax benefits
- Save money through the TMA's incentive programs

Worried about an emergency?

We've got you covered with the TMA's FREE Guaranteed Ride Home (GRH) program!

The Merrimack Valley TMA is funded with support from its members, MassDOT, and the Federal Highway Administration.
